

Press release

iTAC Software is again in the Gartner Magic Quadrant for Manufacturing Execution Systems

Montabaur, January 30, 2020 – MES (Manufacturing Execution System) Specialist iTAC Software (www.itacsoftware.com) is recognized in Gartner's Magic Quadrant for Manufacturing Execution Systems for the second consecutive year. As in the previous year, iTAC is named a Visionary.

In its analysis of the MES market, Gartner has evaluated providers based on ability to execute and completeness of vision, and has positioned providers within its Magic Quadrant as Challengers, Leaders, Visionaries and Niche Players. iTAC is positioned in the Visionaries quadrant.

"We are one of 16 MES vendors positioned in the Magic Quadrant report. We are honored to be recognized by Gartner as a Visionary," explains Peter Bollinger, CEO of iTAC Software AG.

iTAC Software AG, a subsidiary of the Dürr Group, is a leading manufacturer of a Manufacturing Execution System (MES) and complementary IIoT solutions. The iTAC.MES.Suite is used for the networking, automation and analysis of production processes, with special emphasis on the particular requirements of Industry 4.0. iTAC is continuously developing the MES solution in line with the latest market requirements.
